

FD 8400HS HIGH-SECURITY LEVEL 6 OFFICE SHREDDER

Standard Features

- **Evaluated by NSA:** Meets the requirements of NSA/CSS specification 02-01 for Level 6 High-Security cross-cut paper shredders
- **Auto Start/Auto Stop:** Optical sensor detects paper and starts operation automatically
- **Door Safety Sensor:** Motor stops automatically if cabinet door is opened
- **Auto Reverse:** In case of paper jam, built-in controls switch motor into reverse to clear jam
- **Heat-treated steel cutters** are specially ground for longevity and require minimal oil
- **High Quality Geared Motor:** Powerful, efficient AC geared-motor with heavy duty steel gears for high performance and minimal noise
- **All-Metal Cabinet** with casters
- **Auto Sensor:** When the waste bin is full, the motor stops automatically
- **Lifetime Guaranteed Heavy-Duty Waste Bin**
- **Auto Cleaning:** If shred capacity is decreased, press reverse button for 5 seconds and motor will run in reverse for 1 minute
- **Oil Indicator:** After every 4 hours of use, the control panel LED flashes to suggest oiling cutting blades for optimal performance
- **Self-Diagnosis System:** Records operation time, number of auto-reverse sequences, volume of paper shredded, and can display information for service technicians
- **Thermal Overload Protection**
- **Safety Circuit Breaker** ensures safe operation
- **Optical Sensor Sensitivity Recovery:** Can be reset by pressing the stop button for 7 seconds

Abilities:

- **Manual Function:** Can be used when shredding small sized paper or films which can't be detected by the sensor

Options:

- **EvenFlow™ Semi-Automatic Oiling System:** Easy-to-use pump and copper nozzles keep the heat-treated steel blades in peak condition

Warranty

- **1-Year Warranty** on cutting head & all other parts

Control Panel

Commercial-grade components in a sleek, compact design

The Formax FD 8400HS High Security Office Shredder is built to the highest standards for operator convenience, safety and reliability. The FD 8400HS features an easy-to-use LED control panel which puts commercial-grade power right at your fingertips. Heat-treated steel blades, a steel cabinet, lifetime guaranteed waste bin, and a powerful AC geared-motor ensure years of reliable performance and information security in your office environment. The new optional EvenFlow™ Semi-Automatic Oiling System helps to keep the FD 8400HS in peak operating condition.

Specifications:

Cutting Style:	Cross Cut
